

# SAY NO 2 TTIP

In secrecy and away from the front pages of the newspapers or the glare of TV cameras, bureaucrats and lawyers from the USA and the EU are negotiating a new trade deal which could spell disaster in many different ways. The deal is known as the **Transatlantic Trade and Investment Partnership**, or TTIP.

**TTIP threatens local democracy as well as public services and the environment!**

**Public meeting - 7 October / 7.30pm**
